

Monoclonal Anti-c-Myc, Biotin Conjugate, Clone 9E10 (B 7554)

Immunoblot

Extract of 293-T cells transfected with pCDNA 3.1 (-)/Myc-His/LacZ plasmid (Sigma C3215) (Lane 1, 2) and extract of 293-T untransfected (Lane 3) were separated on SDS-PAGE and blotted with Monoclonal Anti-c-Myc, Biotin Conjugate (Product No. B 7554). The antibody was developed with ExtrAvidin Peroxidase Conjugate (Product No. E 2886) and chemiluminescent substrate.

Lanes 1, 3: Antibody concentration 0.05 mg/ml.

Lane 2: Without primary antibody.

ExtrAvidin Peroxidase Conjugate dilution: 1:20,000.
