

RABBIT ANTI-TENASCIN POLYCLONAL ANTIBODY

CATALOG NUMBER:	AB19013	QUANTITY:	50 µg
LOT NUMBER:		CONCENTRATION:	XXX mg/mL
SPECIFICITY:	Reacts with tenascin from chicken, human and mouse. Under reducing conditions reactivity to chicken is approximately 100X greater than reactivity with human tenascin. Reactivity with mouse tenascin under reducing conditions is poor.		
APPLICATIONS:	<u>Western blot</u> : Recognizes a 220-240kDa band in reduced westerns <u>Immunohistochemistry</u> : Frozen and paraffin embedded tissues; citrate treatment useful for paraffin tissues <u>Function blocking</u> <i>Optimal working dilutions must be determined by end user.</i>		
SPECIES REACTIVITY:	Chicken, Mouse, and Human. Reactivity with other species has not been confirmed.		
IMMUNOGEN:	Purified tenascin from embryonic chicken brain		
PRESENTATION:	Affinity purified using immobilized chicken tenascin. Provided as a liquid in PBS, containing no preservatives.		
STORAGE/HANDLING:	Maintain at -20°C for up to 12 months. Aliquot to avoid repeated freeze/thaw cycles.		
REFERENCES:	Feugate JE, <i>et al.</i> (2002). The CXC chemokine cCAF stimulates precocious deposition of ECM molecules by wound fibroblasts, accelerating development of granulation tissue. <i>BMC Cell Biology</i> 3 : 13.		

For research use only; not for use as a diagnostic.

Important Note: *During shipment, small volumes of product will occasionally become entrapped in the seal of the product vial. For products with volumes of 200 µL or less, we recommend gently tapping the vial on a hard surface or briefly centrifuging the vial in a tabletop centrifuge to dislodge any liquid in the container's cap.*

Unless otherwise stated in our catalog or other company documentation accompanying the product(s), our products are intended for research use only and are not to be used for any other purpose, which includes but is not limited to, unauthorized commercial uses, in vitro diagnostic uses, ex vivo or in vivo therapeutic uses or any type of consumption or application to humans or animals.
